In the summer of **2013** in the city of Preston in the Northwest of England, a group of misfits got together for a new musical project '**WARD XVI**', with the aim of creating something completely unique. Each musician coming from a different musical background drawing in influences from the likes of **Alice Cooper, Lordi, The Skintz, Stolen Babies, Scar Symmetry, Diabolo Swing Orchestra, Iron Maiden, Alter Bridge, Jason Becker** and **Avatarium**.

Since the release of **WARD XVI**'s debut EP in January 2015, **WARD XVI** have gone from strength to strength, headlining shows in and around the North West with an ever-growing fan base. The highlights of **Ward XVI**'s career so far include playing the main stage at **O2 Academy Leeds** in the final of the **Soundwaves Music Competition**, supporting **William Control** and **The Men that will not be Blamed for Nothing**. After a great response from the release of **Ward XVI**'s self-titled EP the band have recently returned to the studio to record a **12 track** concept album titled "**The Art of Manipulation**" and signed with Germany's **Rock'N'Growl Records**.
